

# Osama Ahmed Elshimy

Full Stack Web Developer (MERN) | Coding Instructor

Giza, Egypt | 201128065208 | [Portfolio](#) | [GitHub](#) | [LinkedIn](#) | [Gmail](#)

## EXPERIENCE

### MindBuilders – Coding Instructor

May 2023 – PRESENT

As a Coding Instructor at MindBuilders, I have the privilege of teaching children the foundations of coding using Python and Scratch (Pitcoblox). Foster creativity, problem-solving, and logical thinking through hands-on projects. Inspire young minds for the digital age.

### ALX- Software Engineering Intern (15 months)

April 2023 – PRESENT

### Albonyan Almarsos – Full Stack Web Developer Intern || MERN Stack

December 2022 - July 2023

Albonyan Almarsos is a non-profit organization offering full-stack web development internships with a roadmap comprising courses from the most reputable learning platforms like LinkedIn Learning, Udemy, and aCloudGuru.

## PROJECTS

### Jobify — Job Tracking App | [Code](#) | [Live Demo](#)

- I developed a job tracking application using the MERN stack and SCSS. The project allows users to manage job applications and features a responsive design for optimal viewing on different devices.

## SKILLS

HTML5 | CSS3 | SASS | JavaScript | React.js | Redux | Next.js | Node.js | Express.js | MongoDB | Git | Firebase
